Dear Professor Laiou:

I shall enclose a list of the entries you checked on the computer print-out of documents on Greece 1940-1950 that CIA has previously released in response to FOIA requests. To request these items you should send this list with a letter along the lines I suggested last week to:

I think that you can expect to get these documents (if legible copies can be made from the microform) within a few weeks.

If pending legislation to exempt CIA from responding to FOIA requests for operational records passes, the queue for original requests to other records here should shorten dramatically. And as I think I mentioned last week, the large collection of OSS records in CIA's custody will probably be released to the National Archives and opened to researchers over the next year or so.

It was a pleasure to meet you last Monday. Please let me know if I can be of any further help.

Yours sincerely,

[Redacted Signature]

J. Kenneth McDonald
Chief Historian
